You can imagine what the login page looks like for the admins...

Here is the home page for students after login:

Search Projects...

Your projects

Check out what your colleagues have done

Proj 1 Title (hyperlink)

Advisor

Picture/video of project

Proj 2 Title (hyperlink)

Advisor

Picture/video of project

etc.....

When the student clicks your projects, the following page is shown

Search Projects...

Other projects

Proj 1 Title (hyperlink)

Edit

Advisor

Picture/video of project

Proj 2 Title (hyperlink)

Edit

Advisor

Picture/video of project

etc.....

When editing a project, the following page is shown:

Edit "project title inserted here"

Title

Description

Thesis

Focus

Change/add video (button)

Submit

Clicking on any any project gives you the following page for both advisors and users and viewers:

Return

"Insert project title here"

by S1, S2, S3....

Advisor: PhD Tamer Ashour

Focus & Description

Thesis

Video

Year & Status

Admins after logging in:

Search Projects...

Create

Assign advisor

Check out other projects

Proj 1 Title (hyperlink)

Advisor

Picture/video of project

Proj 2 Title (hyperlink)

Advisor

Picture/video of project

etc.....

Clicking Create makes this page appear:

Create a new

User

Advisor

Project

Clicking user: And the same appears for both projects and advisors (the admin can only insert the projec title)
